About Connecticut Sports Foundation (CSF)

CSF was founded in 1987 by Connecticut native John Ellis, a former catcher for the New York Yankees and cancer survivor, to financially assist cancer patients and their families and fund cancer research. For the past 30 years, through its *Grant Recipient Program*, CSF has granted over \$4 million to more than 4,000 Connecticut families dealing with the financial hardship that often follows a cancer diagnosis. In addition,

CSF has donated more than \$1.8 million to support ongoing cancer research at Memorial Sloan Kettering. CSF is a 501(c)(3) non-profit organization.
